

College Bursaries

The College has funds available to undergraduates, to assist with maintenance and other living costs. These funds are separate from the Travel Funds, Scholarship and various Study Funds.

Application for these Bursaries can be made at any time, using the form on page 2 of this document. The application must be complete (it is necessary to determine the degree of need of candidates, thus we must know of other sources of financial help and of parental contribution to maintenance). Bursaries may take the form of a grant, or an interest free loan; the latter may well be used when decisions on other applications (such as Newton Trust Bursaries) are awaited.

Funds

Most of the funds are available for those studying any subject; a few are more specific. The following is a summary:

The Annual Fund Bursaries	The Wilshaw Bursary (Modern Languages)
The Home Bursaries Fund	The H H Hull Fund (Music)
The Overseas Bursaries Fund	The J S Wilson Fund (Natural Sciences)
The D W Morgan Fund (General)	The Johns Memorial Fund (Candidates for Holy Orders)
The Hilary Morse Fund (General)	The Drury Fund (Candidates for Holy Orders)
The Arthur Andersen Fund (Economics)	The Warren Fund (Offspring of Clergy)
The Birfield Memorial Fund (Engineering)	The Thorne Memorial Fund (Connection with Motor Trade)
The Dudley Robinson Bursaries (Engineering)	The Worksop College War Memorial Fund (Theology, pupil from Worksop College)
The Henn Fund (English)	Richard Burston Fund (general)
The Gooderson Memorial Fund (Lawyers, usually for expenses after graduating)	

Tick any Bursary Fund relevant to you.

Notes

Entirely separate are the College Travel Funds, Caution Money Fund and Vacation Study Fund.

The College Travel Fund assists mainly with travel, but also for some other extra-curricular or Tripos-related activities.

The Caution Money Fund derives from the accumulated interest on your collective Caution Money. It is administered by a panel drawn from the Governing Body, JCR and MCR. Applications should be made on a special form available from the College website, in good time before the closing date.

The Vacation Study Fund is provided by the Higher Education Funding Council; and is administered by University Departments. It is intended to cover Departmental and Faculty Vacation Courses and/or fieldwork. Discuss any possible requests for help from this Fund with your Director of Studies.
