

WELCOME TO THE MCR

WE REQUIRE

Anyone who should be self-isolating in line with UK guidelines may **not** enter this shared space

Use this space for independent study – avoid unlawful gatherings between different households

Avoid close contact with and keep 2m apart from anyone outside your household

Use the cleaning materials provided to clean anything you use/touch before and after use

Use only the toilet facilities that the College has specifically signposted for general use

Wear a face covering in this shared area

WE ADVISE

Dispose of any waste in the bin provided, especially used tissues and drinks receptacles

Avoid touching your face or face covering, and catch any sneezes with a tissue

Use ventilation in enclosed or busy spaces (if this is safe and practical)

WE RESPECT

Treating each other with respect includes being able to remind others of this important guidance

Take joint responsibility for keeping facilities tidy so our Housekeeping team can clean more easily

A face covering protects others, including those who cannot wear one for a range of valid reasons
