

The Tunku Abdul Rahman Centenary Fund Research Project Grant Application Form

Introduction

The Tunku Abdul Rahman Centenary Fund was established in 2003 by the Government of Malaysia to commemorate the 100th anniversary of the birth of St Catharine's College alumnus Tunku Abdul Rahman Putra Al-Haj (BA 1926, Hon. LLD 1960, Hon. Fellow 1960), the first Prime Minister of Malaysia.

The Fund invites applications for project grants of up to about £5,000 from Malaysian citizens who are currently working at the University on humanities, social science and public health projects concerning Malaysia. If there is remaining funding after the selection process is complete, then applications from Malaysian citizens for science projects may be considered.

The Panel responsible for the Fund will have full discretion concerning all grants made.

Application procedure for Project Grants

Completed forms should be e-mailed to the Fund's Director at: tunkufund@caths.cam.ac.uk. The **closing dates for Applications are 30 September and 31 March annually.**
